Our law firm recently discovered, upon conducting a status check of the above-referenced patent application, that a nonfinal Office Action had been issued and was mailed from the Patent Office on October 12, 2004. This Office Action was not received by our law firm due to an incorrect address of record at the Patent Office.

Attached please find the Change of Correspondence Address that was filed at the Patent Office on May 16, 2002. We also attach a copy of the stamped postcard received, showing receipt of the Change of Correspondence Address form by the PTO on May 20, 2002. Please correct the address for our law firm and re-send the Office Action at your earliest convenience. We appreciate your assistance in this matter. Please contact us if you have any questions.

Respectfully Submitted,

By
